Fellow Numismatist,

The officers and members of the South Hills Coin Club thank you for your interest in our Club and welcome you to join us.

The Club was formed in 1960 in order to promote and encourage interest in numismatics. At each meeting there is a program on a topic related to numismatics given by Club members or outside speakers. As a member you are invited to participate.

If you would like to join, just complete the Membership Application and bring it to one of our meetings. Before the meeting, give the Club Secretary the application with the proper dues and sit back and enjoy yourself. At the meeting, there will be a first reading of your application, and we would ask you to stand and introduce yourself including a brief summary of your collecting interests. We meet the second Tuesday of every month at the Bethel Park Council Chamber (Municipal Building) at the address above. The meetings start at 7:30 p.m. The doors open at 7:00 and a lot of members talk, buy and sell before the meeting.

Approximately one week before the meeting, you will receive the "Sohi Paper Planchet" (the Club Newsletter) to remind you of the upcoming meeting and keep you posted on the Club.

When you come to the meeting, members and guests must sign the register and should wear an I.D. tag which are available at the sign-in table for members and guests.

Members only are eligible for monthly door and attendance prizes at the meeting. We also have a Coin-arama and a 50/50 raffle each month for everyone in attendance.

Each year the Club sponsors a Coin Show and raffle in February to help support the Club and keep our dues down. We do ask all members to sell 10 or more tickets for the raffle and help in some way at the show.

We hope you will join us and enjoy learning more about coin collecting.

**Thank you,
The members of the South Hills Coin Club**
